Dedication . . .

There have been many changes in the appearance and contents of EL VAQUERO since the first edition was brought out in 1947. Each year a new editor and a new staff have taken over, but the same advisor has been behind the scenes directing the work. The present staff of EL VAQUERO gratefully dedicates this 1953 edition to Mrs. Anne Trudeau in appreciation for her interest and efforts to maintain a high class yearbook for our school.

Foreword . . .

In planning this year's book, the EL VAQUERO staff has carried out a western theme in the cover, in the division pages and in pictures of class officers. Our division pages are western scenes on wood paper and the padded cover is a beautiful gold color with the design of a bucking horse. Two beautiful color pictures are included this year: one of the building for the frontispiece, and one of our band in their bright uniforms.

The Seniors appear in candid shots as we see them arcund school, and the faculty members are presented in groups for the first time.

The staff has tried to cover all happenings and events of the school year as far as space permits.

The Editor wishes to thank her staff for their hard work in raising money and getting material together; Mrs. Trudeau for her help and guidance; and all classes and organizations who contributed to the support of the 1953 yearbook.

Senior History

"Hay Ma! Look at us!" It hardly seems possible that we, the litt!e scrubs of four years ago, are now Seniors.

By really straining, we can recall our Freshman year. Ah, what bliss! Everyone thought we were too stupid to even know which hand was our right, but we fooled 'em! Our smartest move of the year was to elect Gerry (Fritz) Kelly our class president. With Gerry leading us, we managed to trip through our first year of high school.

The next year, Max Beavers was the leader of our herd. And, as most of you know, this Sophomore year was just buzzing with all sorts of activities — the Sophomore Hop, selecting class rings, and . . . (nothing).

This brings us to our Junior year. Now, as everyone knows, we were really "on the beam" in those days, because our president, Tom Rehder, saw to it that no one loafed. Our Junior Carnival, on March 14, was the best ever given in L.U.H.S., and for a while we considered ourselves millionaires. This was also the year that our class assembly was so exceptional. It was the one that we didn't get around to give until the day after graduation!

"Make way for the mighty seniors!"

To start the year off with a bang, Dick Ralph, the boy with the new Ford, was elected class president. Our Senior boys have really sparkled on the athletic teams, but the "pore gals" sorta fizzled out! Since our class never won a queen contest, we decided to win a ham contest by presenting the Senior Play. BEST FOOT FORWARD. (P.S. It really was a great success!)

Now it's just around the corner—our blessed day of freedom! The paroles will be handed out by Mr. Wattenburger, and it'll be with a little bit of sadness and a "heck" of a lot of gladness, that we say "so long" to all our friends (and believe it or not, this includes the faculty!) at Livermore High.

FOO

The Livermore Cowboys have had this year one of the most unforgetable seasons in ten years. Plagued by many injuries, they made their worst showing since 1940. In practice games they lost to Patterson but defeated Calaveras. In the first league encounter the boys in green and gold defeated C.S.D. but lost the following week to Amador. They suffered a second and worse defeat at the hands of Liberty, and again against the powerful Emery Club endured a third league loss. In the last game of the year the Cowboys battled the San Ramon Wolvies to a 21-21 tie on a very cold and rainy night.

Basketball

This year, the Livermore Cowboys won their third straight East Bay Counties Athletic League Championship. Under the first year's coaching of Lee Williford, with twenty wins and but three losses, the Cowboys established the best season record in the history of the school. They averaged 54 points a game and their opponents 37. Livermore was unbeaten in league play, and was invited to the Tracy Tournament where they came in second to a very strong Tracy team. Tom Rehder was picked for the All Tournament team and our rooters received a trophy for the best rooting section present.

The "B" team got off to a slow start but caught fire by the second round of league play. Jack Watson led the Little Cowboys in scoring.
